Sir,

Subject Use of the Civil & Military Station Fire Brigade in Bangalore City

—

I am directed to invite reference to the correspondence ending with your letter No D 462/40/G&A, dated the 22nd November 1945 on the above subject, proposing that, when the services of the Civil & Military Station Fire Brigade are indented upon for dealing with fires within State limits, Mr Robinson should take command of all fire services personnel and equipment engaged, whether of the Civil & Military Station or of the Mysore State, and that he may continue in command so long as he is present at the spot

I am to state that the State Fire Brigade is now well equipped and is in charge of an Officer who has been specially trained in the Bombay Fire Brigade and is working under the control and supervision of the Superintendent of Police, Provincial Reserve In the interests of the efficient and prompt handling of such situations, this Government are of opinion that both the Brigades may continue to work in close co-operation, as in the past, the command of the combined Fire services being assumed by the jurisdictional Officer, namely, Mr Robinson when the two Brigades work within the limits of the Civil and Military Station, and the Superintendent of Police, Provincial Reserve, when they happen to function within the State limits

I have the honour to be,
Sir,
Your most obedient servant,

Chief Secretary to Government
